## Event Description

Reliance Jio Infocomm Limited (RJIL), a subsidiary of Reliance Industries Limited (RIL), India's largest private sector company, is the first telecom operator to hold pan India Unified License. This license authorises RJIL to provide all telecommunication services except Global Mobile Personal Communication by Satellite Service.

RJIL holds spectrum in 1800 MHz (across 14 circles) and 2300 MHz (across 22 circles) capable of offering fourth generation (4G) wireless services. RJIL plans to provide seamless 4G services using FDD-LTE on 1800 MHz and TDD-LTE on 2300 MHz through an integrated ecosystem.

RJIL is setting up a pan India telecom network to provide to the highly underserved India market, reliable (4th generation) high speed internet connectivity, rich communication services and various digital services on pan India basis in key domains such as education, healthcare, security, financial services, government citizen interfaces and entertainment. RJIL aims to provide anytime, anywhere access to innovative and empowering digital content, applications and services, thereby propelling India into global leadership in digital economy.

RJIL is also deploying an enhanced packet core network to create futuristic high capacity infrastructure to handle huge demand for data and voice. In addition to high speed data, the 4G network will provide voice services from / to non-RJIL networks.

Services provided by the company:

- JioBroadband Service
- Jio DTH service
- Jio Money
- Jio cloud

Products

- Jio GigaFiber
- Jio VoWi-Fi
- Jio GigaTV
- Jio Smart Home
- Jio Smartphone
