Date : 11th July 2020 | Time : 11 AM to 1 PM

Jagdish Kini : 9821529349 | Varsha Kini : 9820731087

Greetings from the

CSI SIES GST

Hello people,

We are happy to announce that CSI SIES GST is organising Webinar on IOT.

In this webinar, the host will emphasise on the role played by IoT in the digital transformation of the world and the changes brought by it in the industry. It will be a completely interactive session so that participants can raise their doubts whenever needed.

The speaker for the day : Bappaditya Debsingha

About the speaker:

Bappaditya Debsingha is an IoT Product manager and entrepreneur. He is a Mechanical engineer from Jadavpur University, Kolkata (2004), and MBA from XLRI.

In the webinar, the speaker will give a brief description about what IoT is and its application in different areas. It will also focus on the different hardware and software tools available to build your own IoT projects.

Event Details:

1. DATE: 11th july ,2020
2. Time: 11:00 AM - 1:00PM
