

Free health check-up camp (07/03/2020)

WDC organised a free health check-up camp in collaboration with Reliance hospital on Saturday (07/03/2020) for the occasion of international women's day. The free health check-up was organised for faculty, non-teaching staff and students. It included bone density check-up, blood pressure, BMI (body mass index) and random sugar tests. The health check-up camp started at 11 am and went up till 3:30 pm with the count of 150+ people showing up for their check-up. First step in the camp included registration followed by checking weight and calculating the BMI. Further, random sugar test was done and then blood pressure was checked. Bone density was measured for people above the age of 25. All this was noted down on sheet to summarise the check-up. All the faculty members, non-teaching staff and students seemed content with their check-up.
