Event Description

The speaker for the session was Mr. Prashant Jade who is the Application Manager with Emerging Graphics India Pvt. Ltd. which is located in Vashi, Navi Mumbai,(India). It was conducted in one session i.e. 2:30 to 4:30 PM. The speaker discussed on different issues like Employment opportunities, Challenges in the field of Printing and Packaging Technology as well as about the upcoming trends in the market. 30 students of Printing and Packaging Technology of FE department attended the session.

The sessions provided new insight to the students in the field of Printing and Packaging. The speaker emphasized the idea of hands on training as well as learning the new concepts related to the field. He insisted upon participating into workshops, seminars and national and International Conferences in the field of packaging so that students can updated their knowledge as per the requirements of the industry. Moreover, he highlighted the importance of soft skills in the industry especially communication skills. The students cleared their understanding on various trends related to Printing and Packaging.
