Target Audience (Branch & Nos.): TE-EXTC
Attachments: <ol style="list-style-type: none">1. Photographs (in JPEG/PNG)2. Attendance & Feedback Report3. Impact Analysis

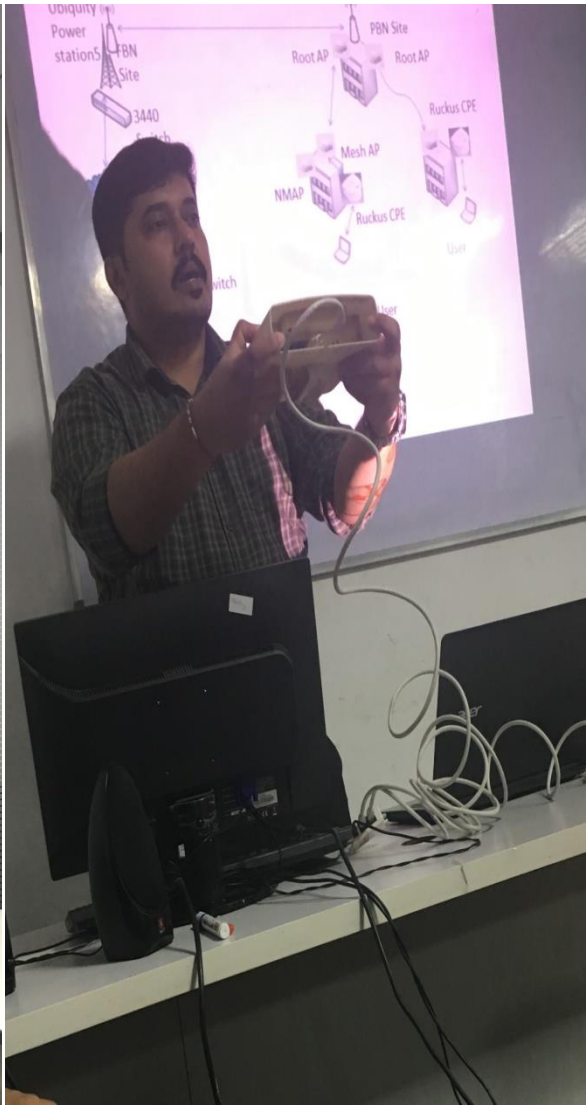

Event Description

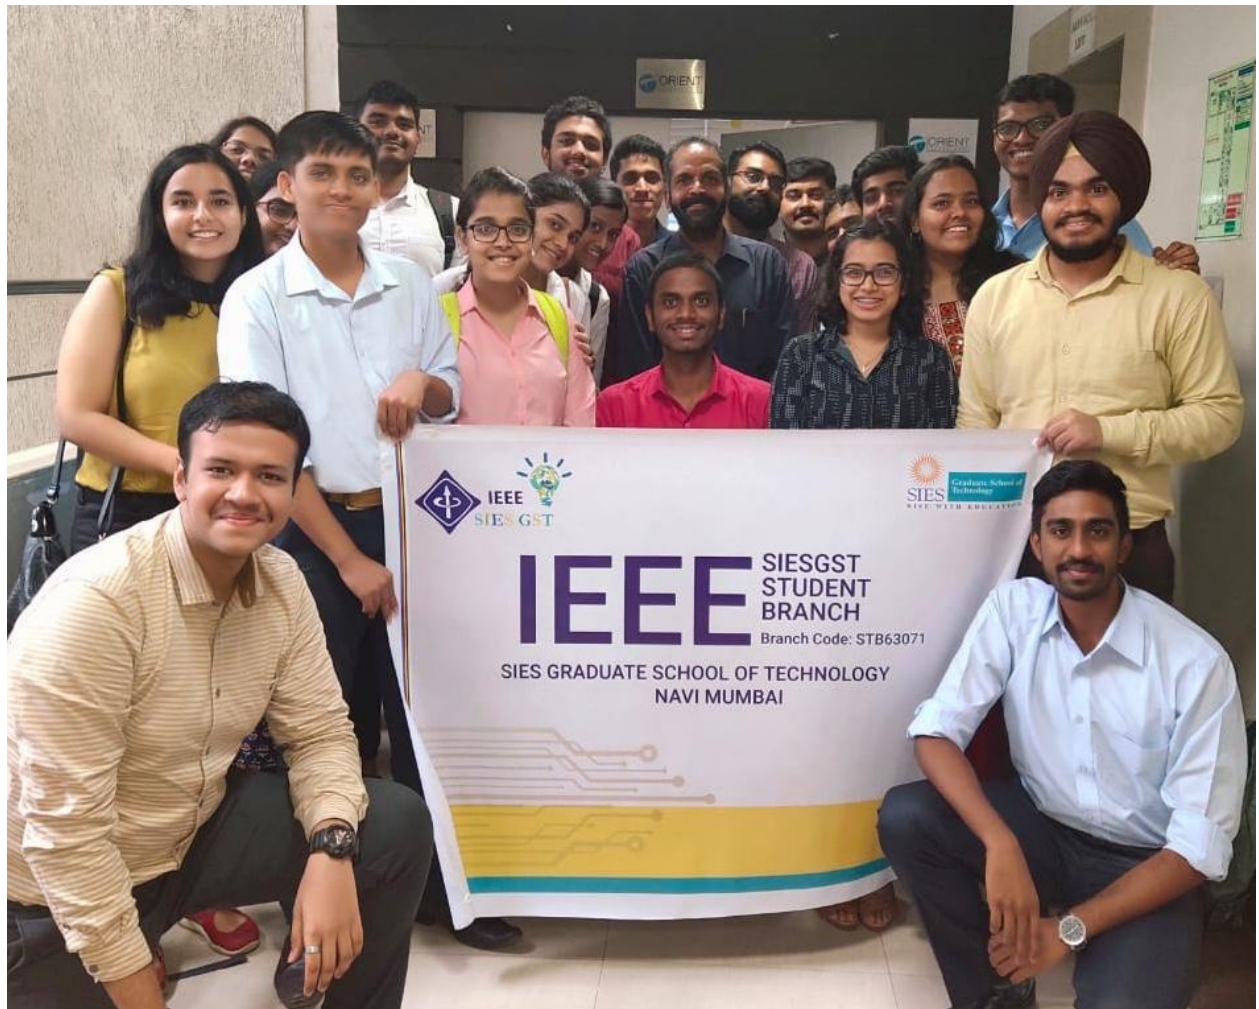

An Industrial visit to “TIKONA”, D-1, Sector 22, MIDC Industrial Area, Mahape Road, Millenium Business Park, Sector 2, Kopar Khairane, Mumbai, Maharashtra was organized by IEEE SIES GST on Thursday, 5th September 2019. Twenty Five students of IEEE SIES GST Student Branch with its Branch Counselor, Prof Biju Balakrishnan visited to Tikona to interact with the networking industry and to understand current market scenarios, latest technologies etc. Students were very excited for this Industrial Visit.

In the afternoon at 1:00 pm we visited to Tikona. We were greeted by Mr. Jay, Head of Tikona, Ghansoli Office. Mr. Jay gave us a brief introduction of Tikona & told us about the aim & ambitions of the company. He then introduced us to his Manager. Mr. Rohit Shetty, Manager explained us about the Tikona with the help of Power Point Presentation. He told us about the development of Tikona Internet service using free spectrum, no other company is able to provide internet service through free spectrum & hence they distribute internet at such low cost. They are able to do this with the help of software developed by their technical team. He explained us the net block diagram & Wireless User Flow. In addition to that he talked about point to point communication, advantages & disadvantages of wireless systems. In Surat, Tikona has launched internet through facebook. At the end, they showed us a video of Prakash Bajpai (CEO of Tikona) talking about his vision towards his company.

The session was concluded with Question- Answer session. Many of the students asked different questions to the manager on current demanding technologies, market scenarios etc. and he cleared all the doubt and myths which was in students mind about the technologies and Networking sector. All students were happy with the session. The visit came to an end at 3:30 p.m.
