

PROJECT COMPETITION HELD BY IEEE SIESGST

IEEE SIES Graduate School of Technology had organised a project competition for the students of TE-EXTC on 29th of september,2018 at 10am. The theme for the competition was Analog Communication or Digital Communication .There were total 40 teams participating in the competition out of which top 12 were selected for the 2nd round and top three were awarded. The competition was judged by both faculty and students of 4th year. The students enthusiastically participated in the competition and came up with many fascinating ideas. Students were judged on the basis of innovation , creativity, cost of components, application and future scope. The winners of the event were Dhruv Kohli and team and their project was on RF Controlled water pump. The 1st runner-up were Rajiv Iyer and team and their project was Radio Frequency Jammer. The 2nd runner-up were Sanika and team and their topic was Li-Fi transmission. All the winners where felicitated by our principal sir.
