

SIES GRADUATE SCHOOL OF TECHNOLOGY

NERUL, NAVI MUMBAI – 400 706

NOTICE

This is in continuation to our admission related advertisement dated, 06.08.2026 and has reference to the Admission notification issued by the State CET Cell, Maharashtra, dated 16.07.2026 regarding the online submission of Option forms from 3rd August 2026 to 7th September 2026.

As required, the aspiring candidates who would like to seek admission through “Institutional Level – ILS” or against post CAP vacant seats should first complete their mandatory registration and document verification at an official Scrutiny center. Following this verification, eligible candidates are strictly required to apply separately to our institute through our online portal (the link is available on the college website). This separate institutional application is mandatory to enable the college to include the candidate’s name when generating and publishing the official merit lists according to the prescribed schedule (for ILS category as well as vacancy seats).

FORM LINK:

https://mysies.edupluscampus.com/fill-admission-form?application_round=First Year Admission Form

The duly filled application along with the one set of self-attested copies of the necessary documents to be submitted in person at the college office on or before 07.09.2026.

Dr.K.Lakshmi Sudha
